

INTRODUCING THE INTERNS

Hannah Ponstein: After this summer, Hannah Ponstein will have spent part of every July at TFC Camp for 9 straight years, and this is something she is very proud of! This year, as an intern, she's once again looking forward to seeing what God will do! Until then, she's staying busy as a college freshman, where she enjoys swing dancing, spending time with cool people, avoiding homework as much as possible, and letting God lead her where He wants her to go.

Abbie Ponstein: Abbie grew up on a dairy farm near Long Island, KS. She's pretty much in love with the farming life. She's a sophomore at Dordt College, taking classes, and waiting to see what God has in store for her next. While at Dordt she enjoys picking on her roommate (Jessica Harvie) and doing random things with her friends, such as mini golfing through the dorms. She has been going to TFC camp since she was a 6th grader and is very excited to be an intern this year.

Brenna Long: Brenna is a sophomore at The University of Kansas studying journalism and geography. After this summer she will have adventured to ten countries. For that reason, she won't physically be at camp this year. She will wave from Ghana. Rock Chalk!

Ethan Rose: Ethan grew up on the prairies of northern Kansas, near Agra. He began his journey with TFC as an 8th grader, unaware of the places it would lead him. After five years, he has gone from the shores of Mississippi to the glaciers of Alaska and a few places in between. Due to his TFC experience, he is attending Central Christian College in pursuit of a Youth Ministry degree. One day he would like to join up with TFC as part of the staff, but until then he fills his time with friends, music, and studying Greek. He can't wait to watch God work in your life at camp this summer.

Jessica Harvie: Jessica Harvie is a sophomore at Dordt College where she studies elementary education. Jessica hails from Orleans, NE, and is proud to be the only intern from Nebraska this year. When she isn't working at Walmart or on campus, Jessica loves to help out with her local Awana's group and do crazy things with her roommate and friends. Some of her favorite activities include late night photo shots and Sunday Movie night with the girls. Jessica is extremely excited for this upcoming internship and cannot wait for summer (and the end of snow!!)

Ashley Losey: Ashley grew up in Agra, Kansas and attended the Eastern Heights TFC group. She is now attending Central Christian College of Kansas, studying biology, and plans to become a doctor. Ashley enjoys spending time with friends, watching movies, listening to music, and drinking coffee. She is also a member of the college softball team, but basketball is her favorite sport. She can't wait to see all of you and is very excited to see what God is going to do at camp this summer!

Connecting teenagers with
the truth of Jesus
Christ...teaching and
equipping them to live out
the Great Commission.
